WELCOME TO THE COMMUNITY

MASTER THE
ADVENTURE

THE OWNERS' WEEK IS AN EXCLUSIVE EVENT MADE BY ALLURES YACHTING AND GARCIA YACHTS FOR THEIR COMMUNITY OF OWNERS.

Learn from renowned experts and develop or enhance essential skills for blue water cruising

Share experiences with other passionate owners

Dive into practical workshops on key technical and maritime topics to master long-distance sailing.

Lorient

This programme is a comprehensive immersion into the world of offshore sailing, with thematic workshops and interactive sessions covering crucial areas such as marine diesel mechanics, onboard electricity, offshore weather, safety at sea, and much more.

A week to learn, connect, and gain the knowledge and confidence to push the boundaries of your adventures at sea. "Master the adventure", starting today.

TRAINING COURSES

MASTER THE ADVENTURE
OWNERS WEEK

#01

DIESEL ENGINE MECHANICS

This training course is done through practical exercises on engine test benches and focuses on the technical reality encountered by the captain: approach of the various circuits, changing of filters and pre-filters, impeller, study of the injection system, etc.

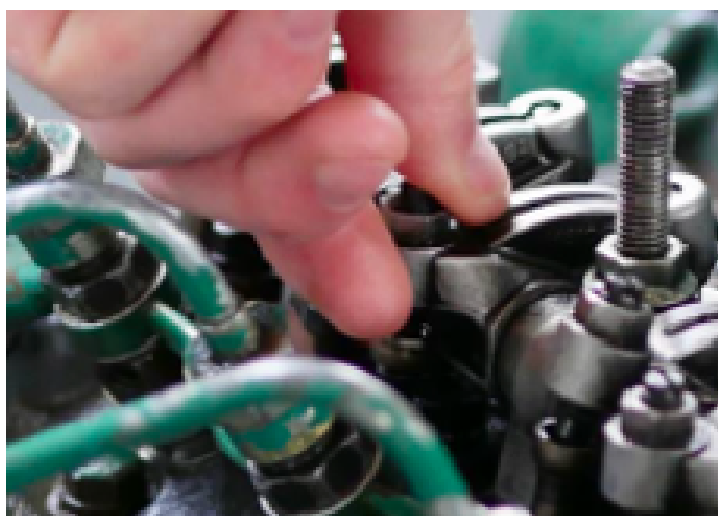

Understand how a diesel engine and its systems work

Perform routine maintenance operations

Diagnose breakdowns and carry out the immediate repairs

#02

OFFSHORE SAFETY AND SURVIVAL

This training equips sailors to handle emergencies at sea through practical exercises and technical knowledge inspired by offshore racers. Sail with confidence, ready for any challenge.

Boat and crew preparation, weather management, watertight integrity, emergency alert procedures

Emergency evacuation, life raft deployment, man-overboard recovery

Fire prevention, survival equipment handling, stress management

TRAINING COURSES

MASTER THE ADVENTURE
OWNERS WEEK

#03

ONBOARD ELECTRICITY

This training course is designed for sailors who want to better understand onboard electrical systems. Through practical exercises, you'll learn to manage energy systems efficiently for self-sufficiency at sea.

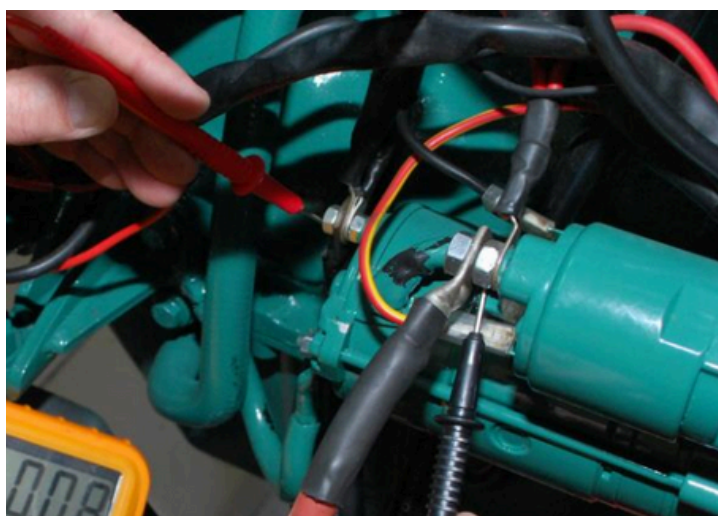

Understand onboard charging and electrical distribution systems

Choose and integrate energy storage equipment for self-sufficiency

Diagnose and repair electrical failures on board

#04

SAILING EXPERIENCE

This training combines the joy of sailing with practical insights into handling Allures and Garcia yachts. Participants will experience hands-on sailing while discovering the unique features of our boats, enhancing confidence and enjoyment at sea.

Experience the pleasure of sailing and refine your onboard skills

Discover the unique characteristics of Allures and Garcia yachts

Enhance sailing techniques while building confidence for blue-water cruising

TRAINING COURSES

MASTER THE ADVENTURE

#05

WATERMAKER

This training demystifies desalination systems on boats and provides practical tools to manage them effectively. Participants will gain insights into installation, maintenance, and troubleshooting for complete autonomy at sea.

Understand desalination systems and reverse osmosis

Learn about filtration processes and system configurations

Troubleshoot and maintain desalination equipment efficiently

#06

OFFSHORE WEATHER

This training provides practical tools to analyze weather conditions, optimize sea routes, and ensure crew safety through a better understanding of natural elements and digital data.

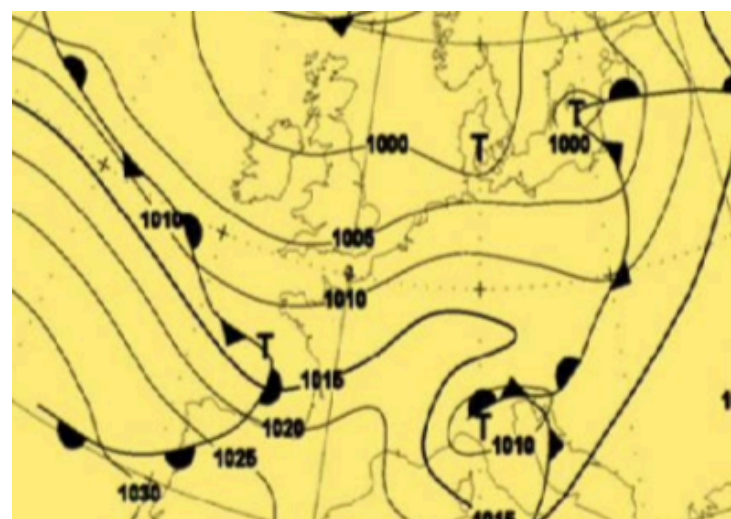

Reading and interpreting isobaric charts, wind fields, and GRIB files

Choosing routes based on seasons, currents, and cyclonic patterns

Acquiring weather data, managing communication equipment, and performing practical exercises

SPECIAL LADIES

MASTER THE ADVENTURE
OWNERS WEEK

Ladies, set sail for adventure!

An additional full day of sailing replacing a technical module.*

Whether you're a beginner or an experienced sailor, this is the perfect opportunity to take the helm, build confidence, and share this unique experience with other passionate women.

**Subject to the number of participants.*

COMMUNITY HIGHLIGHTS

MASTER THE
ADVENTURE

#Celebrate Community During Our Training Week

Our training week is not just about learning - **it's about creating meaningful connections within the Allures Yachting and Garcia Yachts community.**

Share your experiences and stories over shared breakfasts and lunches, where participants come together to exchange ideas, tips and inspiration.

A highlight of the week is a special evening designed to foster connections in a relaxed atmosphere, share insights about blue-water cruising, and strengthen bonds among sailors. This evening will feature a special guest who will share their experience or provide inspiring advice.

This event is designed to foster a sense of belonging and camaraderie, making it much more than just training—it's an opportunity to connect and network.

**Join us
and experience
the spirit of our
community!**
